I'm here. Chomping on dinner. :-)

Would love to hear more about 😊

You 7:40 PM

Thanks for the presentation. We will share our letters and presentation out with the WVNA list

ould it be possible to have another BPDA public meeting? It seems like the developer was looking at changes. Love to see them.

I think it is important to be clear that the Church does not speak for the entire neighborhood or for all neighbors. The Church's concerns are valid and should absolutely be heard, but it is not appropriate to only have representatives of the Church speak in this forum and not allow for any other voices or perspectives to be heard.
